

Page 13 has a diagram that illustrates the Keys to Quality Classroom Assessment. Each of those keys is explained in more detail on pages 14-17. Page 27 summarizes that information in a table. Using the form below tell what each of these keys means to you in terms of your current thinking and practices; challenges you see; and/or descriptions they include that confirm your current beliefs.

Why Assess?

Assess What?

Assess How?

Communicate How?

Involve Students How?
